LED DISPLAY CABINET LIGHT

NL-8-02 A/B

LightSource	Citizen LED
Colour RenderingIndex	＞90
Colour Temperature	3000K or 4000K or 5000K
Colour Finish	Silver or Black
PowerFactor	＞0.9
CutOut	Ø13mm
PowerConsumption	4W
LuminousFlux	400lm
Lifetime	50, 000hours
IP‑code	IP20
Beam Angle	60
Voltage∕current	10V DC
Output Current	350mA
HousIngMaterial	DieCast Aluminum
Warranty	5years
Patent No.	
Certification	ETL CE RoHS

A   B

Application:

   adjustable luminaire, with ring nut mounting, for indoor use. Suitable to light up showcases or cabinets. thin light, small volume, almost invisible to the eyes. possibility to adjust the light emission in all directions, it can be installed on the base, the wall or the ceiling of a showcase.

Certification	ETL CE RoHS

Application:

   adjustable luminaire, with ring nut mounting, for indoor use. Suitable to light up showcases or cabinets. thin light, small volume, almost invisible to the eyes. possibility to adjust the light emission in all directions, it can be installed on the base, the wall or the ceiling of a showcase.
NL-6-04

LightSource	Cree LED
Colour RenderingIndex	﹥90
Colour Temperature	3000K or 4000K or 5000K
Colour Finish	Silver or Black
PowerFactor	﹥0.9
CutOut	N/A
PowerConsumption	3W
LuminousFlux	300 lm
Lifetime	50, 000hours
IP-code	IP20
Beam Angle	30
Voltage/current	3V DC
Output Current	700mA
HousIngMaterial	DieCast Aluminum
Warranty	5years
Patent No.	
Certification	ETL CE RoHS
